GOV. MIKE EASLEY'S STATEMENT ON HB 1023
Education Lottery Bill Moves Through Committee, Passes in House

"I commend Speaker Black and the House for their leadership in bringing this important issue to debate and deliberation. I look forward to working with the Senate to provide a dedicated source of revenue for school children across our state. An education lottery in North Carolina will give us additional resources to continue to improve our schools and increase educational opportunities pre-k through college."
